- We have carefully considered these course selections and understand that all courses we have chosen require a commitment from the student and the parent(s).
- We understand that dropping a course after the first 10 days of the school year may result in a final grade of "F" in the dropped class.
- **We acknowledge and understand that selecting a course not recommended by our child's teacher and/or counselor may jeopardize his/her chance at success in that course and might also affect promotion requirements.**

**REQUIRED COURSES:** Place an "X" beside the appropriate English, Math, Science, and Social Studies courses.
